HOW TO PLAY 3P MATCH

"Player C" and "Player F" play a role of libero at the 1st game.

Libero does not play any role of server and service receiver during the 1st game.

A & B and D & E play roles of server and service receiver. (Same way as normal doubles game.)

Any other rules are completely same as doubles game.

The role of Libero has to be turned to another player at the 2nd game.
